Step-by-Step Instructions

1. Create a border around the card by stamping the Mini Maple Leaf in green tea, rotating the leaf stems outward. Use the StampRight™ placement line to determine the position of the image. Rotate the stamp between impressions. Clean the stamps each time before re-inking them with a new color. Leave enough space for subsequent images.
2. Stamp the Mini Double Leaf in bamboo, rotating the leaf stems toward the flowers.
3. Stamp the Tiny Flower in lapislazuli.
4. Stamp the Tiny Flower in boysenberry.
5. Stamp the Tiny Flower in topaz.
6. Stamp the Tiny Seed Flower in cocoa.
