Step-by-Step Instructions

1. Stamp the Mini Barrel Cactus Solid in olive in the center of the card. Use the StampRight™ placement line to determine the position of the image. Clean the stamps each time before re-inking them with a new color. Leave enough space for subsequent images.
2. Create a mask for the Barrel Cactus and apply.
3. Stamp the Jumbo Torch Cactus Open Large in green tea all around the Barrel Cactus.
4. Stamp the Mini Kalancho in laurel leaf.
5. Brush on light brown dye ink for the sand and light yellow dye ink for the sky.
